Your Personal Testimony Worksheet

1. BEFORE I received Christ… (If possible identify with the person or group before whom you are testifying.)

2. HOW I received Christ… (Be very specific, but not wordy. Be sure to include the basic facts of the gospel – your realization that you were a sinner, that Christ paid the penalty for your sin, and your willingness to turn from your sin to Christ as Lord and Savior of your life.)

3. AFTER I received Christ… (Be honest – Christians have problems too and if possible relate these changes to facts mentioned concerning your life before salvation.)
